

# I Parents Needed for a Research Study

## The See and Say Sequence

*A Strategy for Early Word Learning*

### Purpose

To understand how quickly and accurately parents can learn The See and Say Sequence

### What will I be asked to do?

1. Fill out online surveys at home
2. Learn the See and Say Sequence during an in-person session
3. Play with your child at the in-person session. You will play before and after you learn the See and Say Sequence

The in-person session will last about one hour and take place at the University of Illinois Urbana-Champaign
